Includes (1) 16 OZ bottle of our Hydrophobic Ceramic Spray, (1) 16 OZ bottle of Jade Refresh Surface Prep, (1) 16 OZ bottle of Jade Detox Car Wash & Seal, (1) Microfiber Chenille Wash Mitt and (2) Microfiber Super Towels (2 towels not 2 dozen).

Jade Water Fall Touchless Silica Spray \$29.95

A69 JADE WATERFALL is a touch-less silica-infused spray sealant that is applied without needing to physically touch the auto with a towel. Simply mist the formula onto an already wet vehicle and then power wash off the excess to produce a glossy, smooth, highly hydrophobic finish that lasts up to 90 days. Use A69 Jade Waterfall after every wash as a drying aid!

Jade Hybrid Polymer Organic/Inorganic Paint Sealant \$29.95

Our Jade Hybrid Polymer Spray Sealant Utilizes both Carnauba Wax and multiple forms of resins to create a hybrid paint sealant! This spray sealant harnesses the benefits of both organic and inorganic protection and puts them both in one bottle!

Jade Water Glyde Glass Treatment \$29.95

Jade Water Glyde Glass Sealant, when used as directed, creates an invisible protective shield using silane polymers. Water, sleet and snow will slide off of glass surfaces. A63 Jade Water Glyde Glass Sealant is fast drying, easy to use and long lasting. Makes the removal of bugs, dirt and frost easier.

Jade A65 Fabric Guard \$29.95

Jade A65 Fabric Guard is a solvent based fabric nano technology protectant that is formulated to be sprayed onto seats, carpets, mats, and other interior fabrics to leave behind a protective barrier that allows for easy cleaning and extends the life of your fabric.

Jade Marine/RV Ceramic Coating for Boats & Gel Coated Surfaces \$229.95

Jade Marine by Puris our Premium Ceramic Coating for Boats & RVs that provides unrivaled gloss and up to 2 years of durability and protection from UV rays and corrosion. It delivers better gloss, hardness, and is hydrophobic meaning it will actively repel water! Surfaces treated with Jade Marine are easier to clean and are more protected! Jade Marine is formulated to work on Boats and RVs.

"After The Coating" Maintenance Kit \$73.95

We get many calls and emails from our customers asking how they should maintain their vehicle after it has been coated. Our After The Car Coating Maintenance Kit includes everything you need to keep your vehicle's coating looking great year-round. You made an investment by getting your vehicle coated now It is important that you protect that investment by using the proper car wash soap and top coat on a regular basis. Cleaning your car will be much easier once your car is coated. Ceramic coatings provide self-cleaning properties, but you still need to maintain the ceramic coating to keep your vehicle shiny and glossy.
